

ADAS ARCHITECTURE STUDIO

Website Design & Build

Spaces that inspire,
lives that flourish.

A cinematic, single-page brand experience for a premier architecture and interior design consultancy based in Jeddah, Saudi Arabia.

THE BRIEF

ADAS Architecture is a multidisciplinary consultancy specialising in architecture, interior design, supervision and design management. The website was designed to translate the studio's brand into a single, immersive scrolling experience — presenting the practice, its services, and a portfolio of eighty-plus projects across Saudi Arabia.

VISION

To become a leading architectural consultancy recognised for delivering innovative, human-centred and timeless design solutions that positively shape communities and the future of the built environment in Saudi Arabia and beyond.

MISSION

To deliver high-quality architectural, interior design and consultancy services through creativity, technology and professional excellence — transforming clients' visions into functional, sustainable and visually distinctive spaces.
